

Confidential Application Class of 2024-2025

Welcome to the opportunity of a lifetime!

The Leadership Stockton Program was founded in 1981 by the Greater Stockton Chamber of Commerce by a group of leaders that wanted to increase volunteerism in the Stockton Community. With almost 950 graduates, Leadership Stockton is a proven, award-winning program of the Greater Stockton Chamber of Commerce. Congratulations for taking the first step (the application) to update your thinking on serving our community. Historically, your class members become a second family which you can always call on in your future endeavors.

Here is how to become part of Leadership Stockton:

- Complete the application on paper or online. <https://stocktonchamber.org/leadership-stockton/> or www.leadershipstockton.com
- Your application includes a page to be completed by your employer (if you are not self-employed).
- Paper applications must be submitted to the Greater Stockton Chamber of Commerce by Friday, June 14th, 2024, at 12:00 PM. 445 W Weber Avenue, Suite 220, Stockton, CA 95203
- Next an interview will be scheduled. All applicants will be interviewed by a panel of Leadership Stockton alumni. Interviews are usually in late June or early July.
- You will hear in mid to late July if you will be selected for the Class of 2024- 2025. The first session will be in August.
- If you are not selected, please apply again next year. With only a set number students accepted each year, the selection process is difficult. The interview panels are seeking to make a diverse class that is interested in making Stockton a great place to live, work, and play.

Before you apply, make sure that this is the year for you! Here is more about what to expect:

- Leadership Stockton meets for eleven months. Dates are on the application. There are three mandatory sessions. You may only have one full day absence OR two-partial days. It is important for you to attend all the sessions to fully gain what the program has to offer. Classes are from 8:00 AM to 5:00 PM. Lunch is provided, and class members are expected to stay through lunch.
- In addition to the class sessions, class members will be participating in a group project. The class decides on what the project is by determining what the group thinks needs to be improved. The class raises the funds to complete the project. Class members will need to meet outside of class to make the project happen. The completed project is an accomplishment that no one forgets.
